

**Southern Charm Schooling Event for Jumpers
July 28 - July 29 @ Jacksonville Equestrian Center**

This schooling event is designed with the amateur in mind! We are offering an opportunity to come and practice in a big arena with a full jump course!

Wednesday will be strictly schooling classes - no ribbons, no winners, no losers. It will be organized by times to allow all those who want to participate an opportunity to plan out their day without waiting around the arena for long periods of time until they are called to ride. This is why it is so important that we have everyone pre-register so we can have the order and schedule posted for the event.

****There are both early afternoon and evening sessions for popular jump heights to accommodate those who are unable to make the earlier sessions, to allow for riders to ride multiple horses, or for additional practice, etc.**

Thursday will be a judged event - we will do our best to have a schedule with more specific timing once we see how many people have signed up to participate.

****Sign-up is due by July 26th so we can have schedule and order created. If you sign up day of event, there will be a one-time fee of \$20.**

Wednesday - 2 trip limit per horse per time slot (i.e. one 2' round and one 2'3" round during 12-2 time slot or two 2' rounds during 12-2 time slot per horse) \$10 PER TRIP

Thursday - 1 round per height - this will be judged - winner will be determined by fastest cleared round (under max time allowed).
